October, 2017

Dear Friend,

De LaSalle Academy is holding our first annual "**Beacon of Hope**" fundraiser on April 15, 2018. All proceeds from our event will go to the school's tuition assistance program. For the past five years, De LaSalle has been providing tuition assistance to all students who cannot meet the tuition requirement.

De LaSalle Academy is the only school in SW Florida (grades 1 through 12) which exists solely to educate children with learning disabilities and provide them with onsite therapies. With your help, we can continue to provide a quality education to children living with learning disabilities.

This year, De LaSalle provided more than \$315,000.00 in tuition assistance to ensure that all children who can benefit from the school are able to attend. This directly impacts the school's operating budget. With a student population that has more than doubled in five years, De LaSalle is no longer able to offer tuition assistance to every child in need. Funds now have to be raised to offset this cost.

The enclosed forms explain all the sponsorship benefits for this event. Please complete the enclosed form and return it to De LaSalle Academy at your earliest convenience.

If you have any questions about De LaSalle or the sponsorship packages, please do not hesitate to call (239) 245-8212 and ask for James Robinson or e-mail jrobinson@delasallefm.org. Thank you in advance for your support, it is greatly appreciated.

Sincerely

De LaSalle Academy Event Planning Committee
